

T-MOBILE COMPANY CELL PHONE PLAN

OSBI is offering our staff \$25/mo "Unlimited Everything" 4G LTE plans (and free Samsung J3 phones) !

[Click Here](#) 

HOW IT WORKS:

- | | |
|--|---|
| When & Where? | Same Open Enrollment dates, times, and locations. T-Mobile Reps will be at each one to answer your questions and to help you sign-up if you wish to participate. |
| What is the cost? | If you want to join, you'll sign a Payroll Deduction Authorization form at the T-Mobile Booth. \$25 will be deducted from your last paycheck each month. That's it! |
| How long do I have to sign-up? | This deal is only available in-person at the Open Enrollment Sessions, Tues/9th - Fri/12th. |
| Can I bring my own phone? | Yes, as long as it's compatible - Check Here  |
| What should I bring with me to Open Enrollment? | View the "What to Bring" Checklist on the bottom of the next page. |
| Do I have to take the free Samsung Phone? | Yes, but you need to coordinate this with the T-Mobile Reps. Meet with them during Open Enrollment. |
| Can I buy another phone instead? | No. |
| Can I keep my old number? | Yes, but make sure you bring all the "What to Bring" Checklist items (bottom of next page). |

Please continue to page 2.

HOW IT WORKS....CONTINUED

What if I'm already a T-Mobile customer?

Follow all the same instructions here (including the "What to Bring" Checklist) and speak to the T-Mobile Reps at Open Enrollment for assistance switching your plan.

What happens if my employment at One Step Beyond ends?

Sorry, this is an Employee-Only Plan. If you cease working for the company, this \$25/mo plan will be terminated and you will need to secure your own cell phone plan, as before. If you received a free Samsung J3 Phone, you will need to return that to the company as well.

What about my family members?

If you sign-up for this Employee Plan, your family members will be eligible for 50% discounts. For more info [Click Here](#)

What if I'm "stuck" in a Hardware or Wireless Services contract currently? Will T-Mobile "buy out" my plans?

Sorry, no. That program is no longer available for all staff.

WHAT TO BRING CHECKLIST

- (1) Your Phone (don't forget to check device/network compatibility [Check Here](#))
- (2) Your current Hardware and/or Wireless Service Account Number(s).
- (3) Your Account PIN Number. (Call your carrier 24-48 hrs. before your Open Enrollment meeting to get this.)
- (4) A copy of your most recent bill (strongly recommended, but not required).
- (5) If you're bringing your own phone, you must call your carrier ASAP and get an "Unlock Code" from them (it can take up to 24-48hrs to process your request). Note that if you still owe money on your phone, your carrier will most likely not give you the Unlock Code. Make sure you're off-contract before signing-up.
