

2025 PARTNERSHIP OPPORTUNITIES

Why Should You Support Us?

When you partner with OSBI, you can reach your audience with a genuine message of shared values and powerful impact.

We are seeking partners that share our passion for providing dynamic programs and services to individuals who have intellectual disabilities and their families.

We are making the world a better place by creating opportunities for our participants to achieve their goals and become fully participating members of our communities.

We seek to create a mutually beneficial relationship for both our organization AND your business.

The exposure that comes from an OSBI event sponsorship can result in significant community goodwill for your company AND it's tax deductible as a marketing expense.
